Petition to Revive Unintentionally Abandoned Application Under 37 CFR § 1.137(b)

To the Commissioner for Patents:

The above-referenced national stage application became abandoned for failure to submit an acceptable oath or declaration within the time period set forth in the "Notification of Missing Requirements Under 35 U.S.C. 371 in the United States Designated/Elected Office (DO/EO/US) (Form PCT/DO/EO/905) mailed on March 12, 2001. On July 23, 2002, Applicant filed a "Petition to Revive an Abandoned Application under 37 CFR 1.137(b)" and "Response to Notification of Missing Requirements under 35 U.S.C. 371" and "petition under 37 CFR 1.183 to Suspend the Rules." Applicant's petition under 37 CFR 1.137(b) and applicant's petition under 37 CFR 1.183 were both dismissed without prejudice.

08/04/2003 MAHME1 00000032 09720570

01 FC:1453 1300.00 OP

Applicant hereby requests that the current application be revived as provided under 37 CFR 1.137(b). In support hereof, Applicant is enclosing herewith a Petition Under 37 CFR 1.47(b) in reply to the Notification of Missing Requirements Under 35 U.S.C. 371. It is respectfully requested that the current application be revived and the enclosed Petition Under 37 CFR 1.47(b) entered and considered for the above-referenced application.

Shahan Islam, Reg. No. 32,507, who was the attorney responsible for this application, recently left his employment at the firm of Katten Muchin Zavis Rosenman. In reviewing the files formerly under Mr. Islam's care and in particular the above-referenced application, Applicant's current attorneys discovered that the decision on the petition was issued on October 22, 2002 and that a "Renewed Petition Under 37 CFR 1.137(b)" was not filed, although Applicant never intended for this application to become abandoned.

Indeed, Applicant was never informed by Mr. Islam that the application had even been abandoned as an initial matter let alone that a petition to revive had been filed and was ultimately dismissed. It was only at Applicant's request as to the status of the application and the efforts of Applicant's current counsel that this abandonment was even discovered. As a result of these stunning discoveries, Applicant has employed new counsel to handle the prosecution of this application. As a result, Applicant hereby submits that the entire delay in filing the required reply from the due date for the reply and the mailing of the Notice of Abandonment and until the filing of a grantable petition pursuant to 37 C.F.R. § 1.137(b) was unintentional.

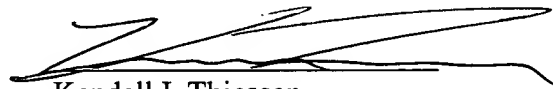

A check for the fee required by 37 C.F.R. § 1.137(b)(2) and as set forth in 37 C.F.R. § 1.17(m) is included with these materials. A check covering the required fees associated with the enclosed Petition Under 37 CFR 1.47(b) is also provided. It is believed that no other fees are due

with this petition. However, if any other fees are a due with this paper, the Commissioner is hereby authorized to charge such fee(s) to Deposit Account No. 50-0792.

Please direct any inquiries regarding this petition to the Applicant's undersigned attorney, who can be reached directly by telephone at (303) 298-5718.

Favorable consideration is respectfully solicited.

Respectfully submitted,

Declaration by 37 CFR 1.47(b) Applicant:

Pursuant to the rules as set forth in 37 CFR 1.47(b), enclosing herewith is a declaration signed by an officer of Aristocrat Technologies Australia Pty Limited, the 37 CFR 1.47(b) applicant (hereinafter "Applicant").

Attempts to Contact the Inventors:

As evidence of Applicant's diligent efforts in attempting to contact the inventors, Applicant is enclosing herewith a statement of Shahan Islam (Reg. No. 46,947).

As attested to in Mr. Islam's enclosed declaration, attempts were made to find the inventors' current addresses and telephone numbers through searches of Internet databases and inquiries made to the telephone company and directory assistance. Mr. Islam was unsuccessful in reaching the inventors by telephone.

Mr. Islam also contacted Michael J. Franham, former CEO of NuGame, Inc., the inventors' former employer. Mr. Franham was unable to provide any additional information as to the current address for the inventors.

Mr. Islam made further attempts to contact the inventors by sending them letters by Express Mail. On October 29, 2002, Mr. Islam sent a letters by Express Mail to the inventors at their respective last known addresses (Express Mail Receipt No. EV 105567285 US to Keith Edwin Curtis and Express Mail Receipt No. EV 105567294 US to Eugene Thomas Bond). Mr. Islam's letters to the inventors each included a copy of the application, a declaration for the

inventors' execution, and a pre-addressed Federal Express envelope and label with our firm's account number on it for the inventors' convenience in returning the declarations to Mr. Islam. Copies of Mr. Islam's letters to the inventors are enclosed herewith.

Mr. Islam attempted to track the Express Mailed package to Keith Curtis and found that an unsuccessful attempt at delivery was made. The Express Mail package sent to Keith Curtis was ultimately returned to Mr. Islam by the United States Postal Service as undeliverable. A copy of the notice from the United States Postal Service indicating that no delivery information for the Express Mail package to Keith Curtis is available is enclosed. Also enclosed is a copy of the Express Mail Receipt No. EV 105567285 US.

Mr. Islam attempted to track the Express Mailed package to Eugene Bond and discovered that an unsuccessful attempt was made to deliver the Express Mail package to Eugene Bond and that a second attempt would be made on November 1, 2002. The United States Postal Service's records show that the Express Mail package to Eugene Bond was delivered on November 1, 2002. The package was signed for by Barbara A. Bond. However, no response was received by Mr. Islam to the communication sent to Eugene Bond by Express Mail. A copy of the delivery information from the United States Postal Service is enclosed, as well as a copy of the Express Mail receipt No. EV 105567294 US.

The Last Known Address of the Inventors:

The last know address of joint-inventor Keith Curtis is as follows:

Mr. Keith Curtis
138 Park Ridge Lane
Henderson, Nevada 89015

The last known address of the inventor Eugene Bond is as follows:

Mr. Eugene T. Bond
6329 Lena King Avenue
Las Vegas, Nevada 89120

Assignment of Invention to Applicant:

As required by 37 CFR 1.47(b), Applicant hereby makes the following *prima facie* case that the invention of the current application has been assigned to Applicant.

On June 17, 1999, Applicant filed international application no. PCT/AU99/00511 which claimed priority to U.S. Provisional Application No. 60/090,514 which was filed on June 24, 1998. On December 21, 2000, Applicant filed a transmittal for entry into the national stage in the United States. The current application resulted from the entry into the national stage in the United States.

In an assignment executed by inventor Keith Curtis on June 23, 1998 and inventor Eugene Bond on June 22, 1998, the inventors assigned U.S. Provisional Application No. 60/090,514 and the subject invention to NuGame. A copy of this assignment is enclosed herewith.

Subsequently, in an assignment dated August 5, 1998, NuGame, Inc. assigned U.S. Provisional Application No. 60/090,514 and the subject invention to Aristocrat Leisure

Industries Pty. Ltd. A copy of the assignment from NuGame, Inc. to Aristocrat Leisure Industries Pty. Ltd. is enclosed herewith.

On April 4, 2001, Aristocrat Leisure Industries Pty. Ltd. changed its name to Aristocrat Technologies Australia Pty Limited. A copy of the name change document is enclosed herewith.

Filing of the Application is Necessary to Preserve the rights of the Parties:

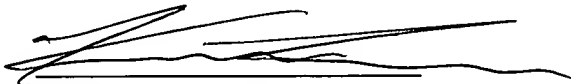

Applicant hereby submits that the filing of the current application is necessary to preserve its rights. As noted above, the current application was filed as the national stage of an international application claiming priority to U.S. Provision Application No. 60/090,514. The filing of the current application is necessary in order to preserve the priority filing date and the rights of the Assignee in the invention.

In view of the foregoing, it is respectfully requested that the Commissioner accept the current application without a signed declaration by the inventor.

Payment of the Petition fee is included in Check No. 737961. However, if any other fee is due with this paper, the Commissioner is hereby authorized to charge such fee to Deposit Account No. 50-0792.

Please direct any inquiries regarding this petition to the Applicant's undersigned attorney,
who may be reached directly by telephone at (303) 298-5718.

Respectfully submitted,

Dear Keith:

Hi, it has been a long time since I have seen you or anybody else at the former Nugame.

As you will hopefully recall, I helped draft and supervised the drafting of the original priority U.S. Provisional Application which was assigned along with foreign counterparts of the application to Aristocrat. I also met you very briefly when I visited Nugame's (back then) office, although we talked on the phone and faxed drafts back and forth.

As the application which we filed was a "provisional" patent application, no Declaration and Power of Attorney was necessary and was not filed. However, this application was assigned by you to Nugame, which, in turn, assigned it to Aristocrat Leisure Industries, which later changed its name to Aristocrat Technologies Australia Pty Ltd.

Subsequently, a PCT Application was filed by applicant Aristocrat Technologies Australia Pty Ltd.

As you know, sometime after the assignment of the provisional application from Nugame to Aristocrat, Nugame closed its doors and is now defunct, with no traceable phone number or office - although, I believe, Mike Farnham, the former CEO is still in Las Vegas.

I have been trying extensively to find you through searches in web databases, calls to the telephone company and directory assistance, as well as calling Farnham, who advised me that he is not aware of the whereabouts of the inventors.

However, just on the chance that I MAY find you, I am enclosing with this letter, a Declaration and Power of Attorneys for the U.S. Application (enclosed) which represents the "national phase" entry of the PCT application.

We need to have you sign and date the Declaration on page 2 and return it to us in the enclosed,
